Glen Rothquel – Business Growth and Marketing Consultant Helps Businesses with Pain Free Marketing

Originally born in Africa, Glen Rothquel has been an Australian resident since 1985. He spent many years working in the investment banking industry, having started when the Australian banking system was being deregulated.

After working for some of the largest banks in the world on 3 continents, Glen felt the urge to work for himself and he entered the entrepreneurial world. Since that time, over the last twenty years, he has owned, invested in, bought or sold numerous businesses in the wholesale, retail and services industries.
